SOLID STATE MANUFACTURING
46 Farrand Street, Bloomfield, NJ 07003
Tel# 973-429-8700 | Fax# 973-429-8683 http://solidstateinc-mfg.com/

SOLID STATE **has been a Leading Semiconductor Manufacturer for over 40 years, supplying reliable, high quality, cost effective standard and customized parts.**

SOLID STATE **is your total solutions source for Electronic Components, HEAT SINKS for cooling high power semiconductors and power electronic applications, and value added products.**

- Zener Diodes
- TVS Diodes
- Transistors
- Thyristors
- Hockey Pucks

- SCR's
- TRIACS
- DIACS
- IGBTs

- Bridge Rectifiers
- Standard Recovery Rectifiers
- Fast Recovery Rectifiers
- Super Fast Recovery Rectifiers
- Schottky Rectifiers

- Extruded Aluminum Heat Sinks
- Assembled Fin Heat Sinks
- Bonded Fin Heat Sinks
- Liquid Cold Plates
- Board Level Heat Sinks
