DC High Voltage Cable Splitters

Product Code: A2WAY / A4WAY / A8WAY / A9WAY

DC High Voltage Cable Splitters have been developed to enable a number of ionising products to be powered from the Meech Pulsed DC Controllers.

The Splitters are supplied fitted with a 500mm cable length and plug for connection to the Pulsed DC Controller.

They are available as 2 way, 4 way, 8 way or 9 way.

Technical Characteristics

Mounting	Two M4 clearance holes provided
Cable length	500mm
Maximum voltage	15kV DC
Body	Fire retardant PVC - Grey
Size	Two Way - 29mm x 58mm x 12 mm Four Way - 44mm x 60mm x 12 mm Eight Way - 112mm x 58mm x 12mm Nine Way - 127mm x 58mm x 12mm
Connection	Push in plug connection

Product shown in this document may be covered by one or more patents, patents applied for and/or registered designs and/or trade marks. For further information please refer to our Head Office or visit www.meech.com.
