

PRO-LOCK CATALOGUE

THE BEST SOLUTION FOR
VALVE LOCKOUT

Made in Britain. Trusted Worldwide.
PRO-LOCK
www.pro-lock.co.uk EST 2001

Welcome to the new **PRO-LOCK CATALOGUE...**

Our new catalogue showcases our unique range of Pro-Locks as well as our new complimentary Lockout/Tagout products. We believe that this catalogue showcases the essential products needed for most safety requirements. If you do not see the product you are looking for, let us know and we will be able to source it for you.

We would like to thank all our customers new and old for your continued business and we look forward to working with you again.

N. Blair.

PRO-LOCKS OPERATING INSTRUCTIONS

FOR USE WITH PRO-LOCKS® DEVICE,
1.5M WIRE AND OPERATING TOOL

Made in Britain. Trusted Worldwide.
PRO-LOCK
www.pro-lock.co.uk EST 2001

1

Secure the valve handle to be locked with the wire.

5

Screw down the top and tighten by hand.

2

Secure the wire to a fixed point.

6

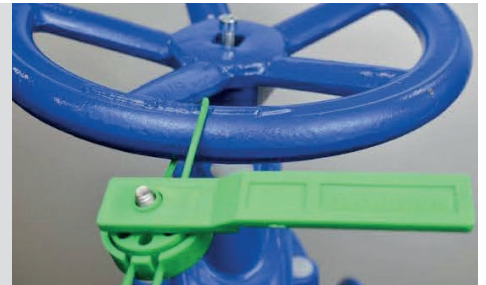

Slide the Pro-Lock® along the wire to the optimum position.

3

Unscrew the top of the Pro-Lock® far enough to enable introduction of the wire from the sides.

7

Hard tighten the device using the Pro-Lock® Operating Tool that can be supplied.

4

Slot the wire into the Pro-Lock®.

8

For added security or logging add padlocks or security seals, as necessary.

PRO-LOCK® OPERATING TOOL FOR EXTRA SECURE PRO-LOCKS®

STANDARD AND LARGER TOOLS

Replace * with first letter of colour requested ie, R = Red

THE LATEST AND MOST ENVIROMENTALLY FRIENDLY SECURITY SEAL AVAILABLE ON THE MARKET.

In its produced form, plastics will take centuries to biodegrade. Pro-Lock has assessed various forms of technologies in the form of additives that can enhance the biodegradability of our products. We have now tied up with our technology provider with an additive that is:

- Simple to use and does not affect processing conditions of our products
- Not affecting the properties of the products as compared to its untreated form
- Food safe in accordance to FSA requirements
- Biodegradable only when the product is in an environment of high microbial activities, especially in landfill and composting sites.
- Recyclable to the same extent as its untreated form
- Not degradable after manufacture and not requiring special storage after the products arrive at your storage sites

PRO-LOCK® BIODEGRADABLE SECURITY SEAL

The biodegradability of the treated products had been independently verified by approved independent laboratories in United States using testing methods ASTM D 5511 and ASTM D 5526. From the testings conducted, the treated products, depending on the form and type of plastic will biodegrade in 1 to 5 years as compared to centuries for untreated products. On our own, Pro-Lock have also tested and verified the properties of the products in comparison with untreated products and found that the addition of the biodegradable additives do not affect the physical and marking properties.

STANDARDS AND CERTIFICATIONS

- ISO 14021:1999 on "Environmental Labels and Declarations" under the definition of "Biodegradable"
- ASTM D 5511, ISO DIS 15985, ASTM D 5526 and ASTM D 5338 on biodegradability
- FDA's testing specifications 21 CFR 177.1630 and 21 CFR 177.1520 on food safety
- US EPA Method 8015 on being completely broken down, and
- EU Directive 94/62/EC Directive on "Packaging and Packaging Waste" and with plastic directives
- Directive 89/109/EEC" and "Directive 2002/72/EC"

STAINLESS STEEL **PADLOCK & HASPS**

MASTER LOCK 640EURDLH MARINE GRADE PADLOCK

The Master Lock 640EURDLH Weather Resistant Padlock features a 40mm wide nickel plated solid brass body for maximum strength, reliability and corrosion resistance. The 6mm diameter shackle is 52mm long and made of nickel-plated steel, offering resistance to harsh outdoor conditions. The 5-pin cylinder prevents picking and the dual locking levers provide resistance against prying and hammering.

- 40mm wide nickel plated solid brass body for strength, durability and corrosion resistance
- Stainless steel shackle for maximum resistance to corrosion
- 5-pin cylinder
- Dual locking levers provide extra pry resistance

SKU CODE		DESCRIPTION	PRICE

FLEXIBLE NYLON LOCKOUT HASP - NON-CONDUCTIVE

Manufactured from flexible Nylon

- 50mm Body,
- 22mm to 25mm x 80mm shackle,
- 9mm Holes
- Accepts up to 6 padlocks

SKU CODE	DESCRIPTION	PRICE		
PRO-NH01	Flexible Nylon Lockout Hasp	£4.99	€7.34	\$8.32

TAGS

DANGER - DO NOT OPERATE TUFF TAGS
(PACK OF 10)

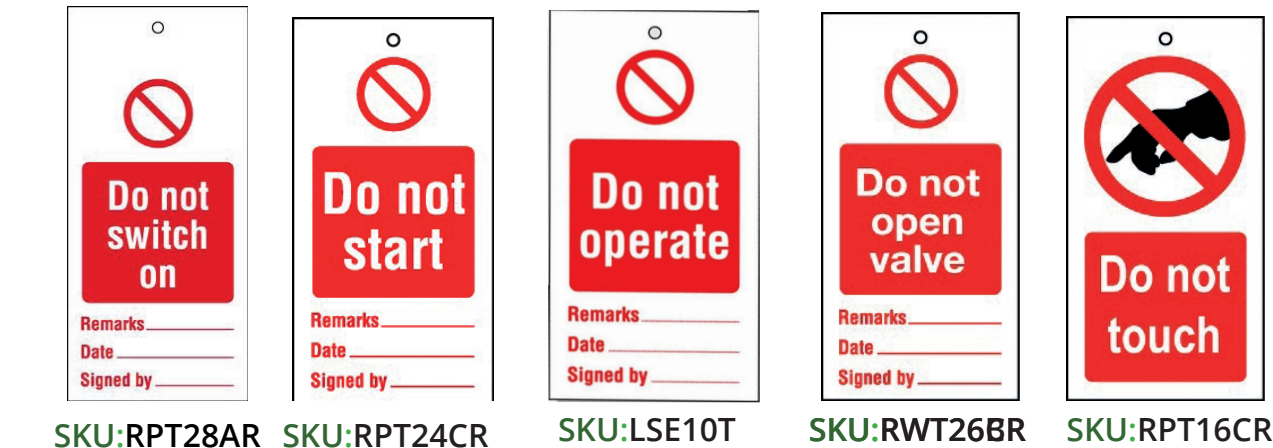

- Manufactured from a double layer of high impact styrene with a brass eyelet.
- shackle diameter of up to 8mm.
- These tags easily pass the 50lbs “pull force” required by OSHA and offer a double sided, easy to write surface
- H 140mm X W 70mm.

SKU CODE	DESCRIPTION	PRICE		
Under Tag	Do Not Operate Tuff Tags	£14.99	€22.04	\$24.99

SAFETY TAGS

- Manufactured from flexible polyester, resistant to water, oil and extreme temperatures
- The matt finish enables tags to be written on with a marker pen
- Supplied in packs of 10 complete with cable ties
- Dimensions: 145mm X 80mm

SKU CODE	DESCRIPTION	PRICE		
Under Tag	Various Lockout Tags	£14.28	€21.59	\$23.80

CIRCUIT BREAKERS

UNIVERSAL LOCKOUT FOR MINIATURE CIRCUIT BREAKERS 'NO TOOL' AND GRUB SCREW

- Will lock out many types of miniature circuit breakers
- Locks out 1 - 4 pole circuit breakers
- Dimensions: 45mm x 25mm x 10mm
- Made from durable plastic
- Maximum clamping 8mm
- 8mm padlock hole

SKU CODE	DESCRIPTION	PRICE		
PRO-CBL01	Circuit Breaker Lockout 'No Tool'	£3.99	€5.87	\$6.65
PRO-CBL01-1	Circuit Breaker Lockout With Grub Screw	£2.99	€4.40	\$4.98

CIRCUIT BREAKER LOCKOUT FOR 1-4 POLES 'NO TOOL' AND GRUB SCREW

This is secured using a small Electricians Screwdriver to clamp the grub screw down on the breaker arm.

- Locks out 1- 4 pole circuit breakers
- Dimensions: 53mm x 19mm x 25mm
- Made from durable plastic
- 8mm padlock hole

SKU CODE	DESCRIPTION	PRICE		
PRO-CBL02	Large Circuit Breaker Lockout 'No Tool'	£6.99	€10.28	\$11.65
PRO-CBL02-1	Large Circuit Breaker Lockout With Grub Screw	£4.99	€7.34	\$8.32

UNIVERSAL LOCKOUT FOR LARGE CIRCUIT BREAKERS 'NO TOOL' AND GRUB SCREW

- Locks out most types of large circuit breakers with a toggle
- Lock out 1 – 4 pole circuit breakers
- Dimensions: 125mm x 63mm x 40mm
- Made from durable plastic
- Clamping toggle 12 to 19 mm
- 8 mm padlock hole

SKU CODE	DESCRIPTION	PRICE		
PRO-CBL05	Large Circuit Breaker Lockout 'No Tool'	£9.99	€14.69	\$16.65
PRO-CBL05-1	Large Circuit Breaker Lockout With Grub Screw	£7.99	€11.75	\$13.32

GRIP TIGHT MCB LOCKOUT (OVER TOGGLE FITTING)

Secure mounting for a solid lockout. Grips tight with simple thumb turn and clamping handle. The Grip Tight Circuit Breaker lockout offers superior holding power compared to other devices.

SKU CODE	DESCRIPTION	PRICE		
PRO-CBL32	Grip Tight MCB Lockout (Over Toggle Fitting)	£6.49	€9.54	\$10.82

GRIP TIGHT MCB LOCKOUT (SIDEWAYS FITTING)

Secure mounting for a solid lockout. Grips tight with simple thumb turn and clamping handle. The Grip Tight Circuit Breaker lockout offers superior holding power compared to other devices.

SKU CODE	DESCRIPTION	PRICE		
PRO-CBL31	Grip Tight MCB Lockout (Sideways Fitting)	£6.99	€10.28	\$11.65

UNIVERSAL 'NO TOOLS' MINI CIRCUIT BREAKER

Specially designed to be used in electrical boards, it can be mounted side-by-side on a circuit breaker.

- Fixation with a thumb turn dial screw
- No tool required for fast and easy installation
- Dial inaccessible in locked position
- Ultra compact size: 50mm H x 15mm W

SKU CODE	DESCRIPTION	PRICE		
PRO-CBL41	Universal 'No Tool' Mini Circuit Breaker	£9.99	€14.69	\$16.65

MINI CIRCUIT BREAKER 'TOGGLE LOCK'

Possibly the simplest yet most versatile MCB lockout in our range. Gives a low profile solution allowing the panel door to close with padlock fitted.

The PRO-CBL51 "Toggle Lock" simply fits over the MCB toggle, using a small flat screwdriver, tighten the internal grub screw to secure the PRO-CBL51 onto the toggle.

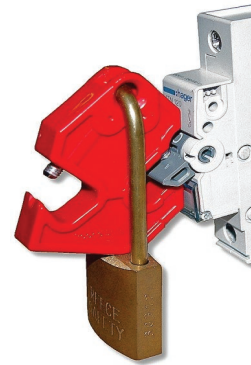

SKU CODE	DESCRIPTION	PRICE		
PRO-CBL51	CBL51 Toggle Lock	£2.99	€4.40	\$4.99

CIRCUIT BREAKERS

UNIVERSAL MULTI-FUNCTIONAL BREAKER LOCKOUT

The Universal Circuit Breaker Lockout is designed to fit most miniature circuit breakers and main switches. Extra length clearance on the toggle side allows the device to be used on standard breakers with long toggles. The opposite side of the device accommodates thicker main switches.

SKU CODE		PRICE		
PRO-CBL06	£6.16	€ 9.06	\$10.27	

MCB LOCKOUT PIN-IN STANDARD

This unique, MCB is easy to install with the aid of a push button - no tools required. Will fit most existing single and multi-pole circuit breakers and locates into the 2 holes either side of the breaker switch.

OTHER VALVE LOCKOUT DEVICES

RED PLASTIC GATE VALVE COVER

Each Rotating Gate Valve is manufactured from tough light-weight dielectric Xenoy thermoplastic meaning these rotational valve covers can withstand extreme conditions, temperature range -46°C to 177°C

- Outward/Inward rotation allows for easier installation & storage
- Surrounds the valve handwheel to protect against accidental operation
- 2 sizes available, each size nests within the next larger size for easy storage
- Supplied with "Locked Out" "Do Not Remove" warning message

SKU CODE	DESCRIPTION	PRICE		
PRO-SGVL01	Fits hand wheel 1" to 2.5"	£8.99	€13.22	\$14.98
PRO-SGVL02	Fits hand wheel 2" to 5"	£13.99	€20.57	\$23.32

UNIVERSAL VALVE LOCKOUT DEVICE

Whether locking ball valves, gate or globe valves the Universal Hybrid Valve Lockout secures onto the valve handwheel or lever using the 'built in' locking clamp eliminating the need for any modifications to the valve

- With 150cm plastic coated stainless steel cable Fully AISI 316 stainless steel (will not rust or flake)
- Easy to install, no valve modification necessary
- Locks valves in the 'open' or 'closed' position

SKU CODE	DESCRIPTION	PRICE		
PRO-NLH	Universal Valve Lockout	£47.20	€ 69.41	\$78.67

BALL VALVE FITS BALL VALVE SIZE 50MM TO 200MM

These simple, easy to use lockouts clamp over the valve lever, preventing the valve from operating, and lock in place using a padlock.

- Standard ball valve isolation to lock your ball valves from 9.5mm (0.375") to 200mm (8")
- Can lock valves in the 'open' or 'closed' positions.

SKU CODE	DESCRIPTION	PRICE		
PRO-ABVL03	Fits Ball Valve 0.375" to 1.25"	£19.99	€29.40	\$33.32
PRO-ABVL05	Fits Ball Valve 2" to 8"	£29.99	€44.10	\$49.98

KEY CABINET

PADLOCK VIEW CABINET (12-25 PADLOCKS)

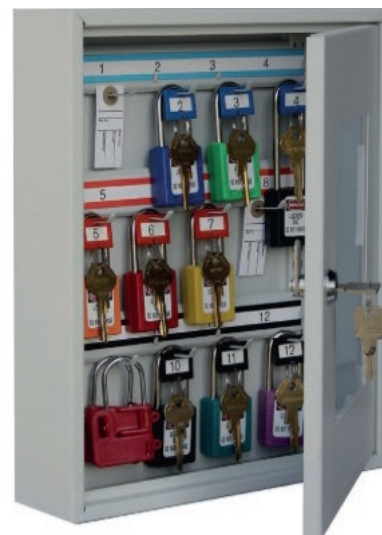

Specially designed to house padlocks and keys used to isolate switchgear or machinery.

Padlock view cabinets have a plexi-glass front allowing users a clear visual check of all stored padlocks without the need for unlocking the door.

As standard, our padlock view cabinets are fitted with extra deep hooks, staggered and spaced 60mm apart.

- Available in three sizes, with space for 12, 16 and 25 padlocks.
- Hooks can be used for storing lockout hasps.
- Strongly made steel cabinet with flush closing rim to resist forced entry
- Ingenious key tabs are designed to hang so numbers are always visible

SKU CODE	DESCRIPTION	PRICE		
PRO-RKS12PLV	12 Padlock Cabinet	£156.30	€229.85	\$260.50
PRO-RKS16PLV	16 Padlock Cabinet	£212.18	€312.03	\$353.63

Official Master Lock Distributor

We are now an official Master Lock distributor which means we have access to the full range of Master Lock products for both Safety and Security. We have carefully selected some of their most popular products which are shown here. However, if there is any other Master Lock products that you require please contact us directly or go to our website to access the full range.

LIMITED LIFETIME GUARANTEE

Master Lock mechanical padlocks are guaranteed to be free from mechanical defects for the life of the product. If a mechanical defect occurs, we will replace it free of charge.

2 YEAR LIMITED GUARANTEE

All other none locking products are guaranteed for a period of 2 years.

ADJUSTABLE CABLE LOCKOUT

The Adjustable Cable Lockout Device, ideal for group & multi-point lockouts, features a tough, flexible multistranded steel cable insulated with a clear plastic coating. A tough, lightweight Zenex™ Thermoplastic body withstands chemicals and performs effectively in extreme conditions

- Integrated safety lockout hasp and cable is ideal for multiple circuit breaker panels and side-by-side gate valve lockouts
- Tough, flexible multi-stranded steel cable is insulated with a clear plastic coating (PVC free)
- Tough, lightweight thermoplastic body withstands chemicals
- Performs effectively in extreme conditions

*Other cable lengths available on request with a MOQ

SKU CODE	DESCRIPTION	PRICE		
PRO-S806	Adjustable Cable Lockout	£17.69	€26.01	\$29.48

LOCKOUT COVER FOR OVERSIZED PLUGS

The Large Nylon Oversized Plug & Control Cover features a 18cm diameter x 43cm tall flexible and durable ripstop nylon bag that fits easily in safety tool boxes. Effectively locks out odd size and large electrical connectors and hoist controls and accepts up to 6 padlocks or hasps.

- 17,8cm diameter x 43,2cm tall
- Insert PVC tubing to block access to hoist control buttons
- The cinch sack offers broad application solutions
- Trilingual "Locked Out, Do Not Remove" warning printed on bag

SKU CODE	DESCRIPTION	PRICE		
PRO-S453L	Lockout Cover For Oversized Plugs (180mm x 430mm)	£19.80	€29.12	\$33.00

SAFETY PADLOCK CADDY

The Safety Padlock Caddy holds safety padlocks near the lockout point and helps ensure all isolation locations are addressed, holds up to 12 safety padlocks.

- Holds safety padlocks near lockout point
- Helps ensure all locations are addressed
- Holds up to 12 safety padlocks
- Includes product labels in English, Spanish and French

SKU CODE	DESCRIPTION	PRICE		
PRO-S125	Safety Padlock Caddy	£15.35	€22.57	\$25.58

GROUP LOCKOUT BOX

The Group Lockout Box is made of stainless steel to withstand the toughest environments. The rugged construction offers enhanced design features, making this box stronger and easier to use.

- Stainless steel construction maximizes corrosion resistance
- Clear, impact-resistant window provides visibility to secured keys
- 18 numbered lockout holes for easy identification
- Storage capacity up to 30 padlocks
- Gasketed key slot to drop keys into removable cup
- Stackable design facilitates storage and simplifies transporting multiple boxes

SKU CODE	DESCRIPTION	PRICE		
PRO-S600	Group Lockout Box	£98.60	€145.00	\$164.33

BLIND FLANGE

The Blind Flange Lockout device is a physical, best practice solution for pipeline maintenance. The adjustable cup allows for a secure fit that conceals and locks out access to nuts holding a blind in place.

- Device fully conceals flange bolts preventing access to the blind until all work has been completed
- Adjustable device provides a tight fit, adapting to multiple flanged pipe applications
- Four lockout holes allow for multiple workers to lockout device at one time
- Durable aluminum and hardened steel construction withstands conditions indoors and out

SKU CODE	DESCRIPTION	PRICE		
PRO-S3922	Small Blind Flange (Fits nuts 19mm to 28.5mm)	£61.27	€90.10	\$102.12
