21710644015

1) c/w item 77
2) Suitable for 380/415V50ID and 460/480V60ID operating voltages.
3) Spare parts see chapter "Brakes".
4) The collared sleeve (item 73) serves to assist in alignment. After centring the intermediate flange, the collared sleeve must be removed again.
