
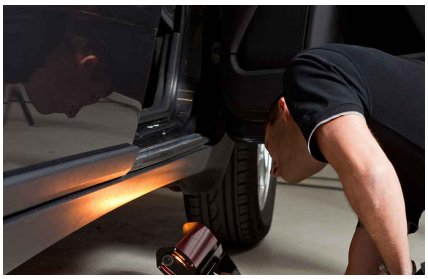
IRT IR DRYERS
BY HEDSON

IRT 1 & 2 PrepCure
Dryers suitable for minor paint and panel work, as well as for applying and removing stickers. The dryers can either be used as hand-held dryer or be mounted on stand. Can cure all base and paint material and the on/off button is integrated in the handle and manual timer on the stand



REACH DIFFICULT AREAS

The stand has a timer that can be set to a maximum of 120 minutes. A holder on the stand allows for both vertical and horizontal drying making it easier and more ergonomically friendly

VERSITILE

These dryers are suitable for minor paint and panel work and difficult to reach areas, as well as for applying and removing stickers. Both dryers can either be used as hand-held dryers or be mounted on stands

INCREASE QUALITY

The gold-coated reflectors provide a more even heat distribution and a larger curing area than conventional reflectors, while they feature reduced power consumption. In turn, this increases productivity and raises the quality of the result of drying

TECHNICAL SPECIFICATION

IRT 1 PREPCURE

IRT 1 PrepCure - version 1	Part.no. 800429
IRT 1 PrepCure - version 2	Part.no. 800624
IRT 1 PrepCure - version 3	Part.no. 800431
IRT 1 PrepCure - version 4	Part.no. 800432
IRT 1 PrepCure - version 5	Part.no. 800428
IRT 1 PrepCure - version 6	Part.no. 800524
Shipping dimensions (handheld dryer, stand not included)	1 pcs cardboard box - 490*240*100, 2,5 kg
Frequency	50-60 Hz
Current	4 A
Output power	1 kW (one lamp)
Fuse	10 A
Stand height	1450 mm
Weight (handheld dryer, stand not included)	1,6 kg
Voltage - version 1	230V, 1PH, EU
Voltage - version 2	230V, 1PH, UK (UK plug)
Voltage - version 3	230V, 1PH, AUS & ARG type I
Voltage - version 4	100V, 1PH, JP
Voltage - version 5	110V, 1PH, NA (not ETL)
Voltage - version 6	110V, 1PH, NA ETL (fixed on stand - no timer)

IRT 2 PREPCURE

IRT 2 PrepCure - version 1	Part.no. 800433
IRT 2 PrepCure - version 2	Part.no. 800625
IRT 2 PrepCure - version 3	Part.no. 800472
IRT 2 PrepCure - version 4	Part.no. 800434
Shipping dimensions (handheld dryer, stand not included)	1 pcs cardboard box - 470*240*180, 3,8 kg
Frequency	50-60 Hz
Current	8A
Output power	2 kW (two lamps)
Fuse	10 A
Stand height	1450 mm
Voltage - version 1	230V, 1PH, EU
Voltage - version 2	230V, 1PH, UK (UK plug)
Voltage - version 3	230V, 1PH, AUS & ARG type I
Voltage - version 4	230V, 1PH, NA ETL (fixed on stand - no timer)
Weight (handheld dryer, stand not included)	3 kg

CONSUMABLES

LAMP-IR 1KW
