QUALITY AIR COMPRESSOR GUN: Our pneumatic blow gun has a chrome zinc alloy body, with a rubber coated metal handle for an anti-slip grip during all your clean-up tasks.

DURABLE & LIGHTWEIGHT: All metal construction, high pressure resistance copper alloy, high-impact stainless steel. This needs to be one of your air-compressor accessories!!

EXTENDABLE AIR GUN: Our air nozzle extends to a maximum length of 26 inches, which can access to hard-to-reach areas such as deep, blind, or narrow holes in your car, workplace, or home.

HANDY AIR TOOL: With an angled nozzle, and 360 Degree Swivel Hook, cleaning hard-to-reach areas is a breeze. Cleaning hard to reach areas will never be a problem again.

POWERFUL AIR FLOW: Quickly and easily blast away stubborn dust, water, powder, debris and other industrial or household cleanup task, whether it's up high or downlow with this air blow gun.

NEIKO 31122A High Flow Air Blow Gun delivers 80-120 PSI with an extendable handle reaching up to 26". Designed with an ergonomic handle to reduce slippage, and hand fatigue, this design is perfect for people who work long hours. The rotational 360 degree C hook makes daily use, and storage a breeze. Next time you need to blast away stubborn debris, dust, water, power, wood shavings or machinery reach for this air compressor gun for an easy clean up. Our air blower gun comes with a standard quick male plug (female quick coupling not included) and a protective rubber tip is included for increased precision and protects surfaces, while the trigger on the handle regulates air flow. Specifications: * With 17-26 Inch Extensible Stainless Steel Air Flow Nozzle * Maximum extended to 26 Inch * Air inlet: 1/4" male quick plug * Operating pressure: 80-120psi * Maximum Pressure: 185PSI (13Bar) * 360 Degree Swivel Hook, easy for daily use and convenient for placing and storage. * All metal construction, high pressure resistance copper alloy, high-impact stainless steel air flow nozzle, anti-break chromed zinc alloy body, improved designed sealing components, more reliable and durable.
