

DATA SHEET HOSE REEL REELCRAFT

Hand crank driven hose reels series 30000 – 1/2", 3/4" ID.

Reelcraft's Series 30000 reels are designed for rugged, heavy-duty applications requiring long lengths of hose and large storage capacity. All-bolted unitized construction with no welds to fatigue, full flow swivel and heavy gauge steel frame, spool and drum ensure longest service life. Series 30000's vibration-proof, self-locking fasteners are ideal for industrial or field use such as turf care or pest control. **Caution:** To prevent drum damage, fully extend and pressurize hose, then wind on the reel. The 30000 series should always be wound under pressure.
