

SBN10325

Ball Nut

Ball Nut, 0.631 in X 0.200 in, Thread Direction: Right Hand, Round, No Safety Feature, Non-Preloaded, Single Circuit, 815 lbf

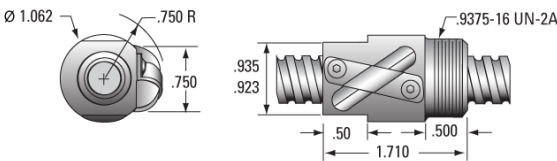

Lead Time: 12 Weeks*

*Lead times may increase with higher quantities. Lead time displayed in business days.

**Costs associated with shipping, packaging, import taxes/duty, and surcharges not included.

- Nut Only
- Quality Tested For Reliable Performance
- Dependable Accuracy and Repeatability At An Economical Price

Dimensions

Dimension	Value
Unit Of Measure	All length values in: inches

Specifications

Specifications	Value
Diameter	0.631 in
Lead	0.200 in
Nut Material	Alloy Steel
Nut Style	SBN
Screw Part Number	SRT7540
Number Of Starts	1

Specifications	Value
Total Weight	0.27 lbs

Performance

Performance	Value
Load, Dynamic	3,625 N (815 lbf)
Load, Static	28,397 N (6,384 lbf)
Torque Rating	0.0350 in-lb
