Headlight 2 in 1 with USB-C

- Simplifies work enormously
  - Allows illumination of the work area, leaving both hands free
  - Super bright headlamp with 400 lumens for professionals
  - Unlike conventional headlamp that produce a cone of light, the headlamp 2 in 1 provides optimal working light by illuminating the entire work area
  - 180° folding design for flexible lighting direction
- Lumen output
  - Low: 200lm
  - High: 400lm
- Longer life
  - Longer runtime when using the second illumination level with 200 lumens
  - Provides enough light throughout the working day
- Robust in use
  - Waterproof and dustproof according to IP65
  - Ruggedly durable and shock resistant
  - Great for using indoor and outdoor
  - USB-C charging socket with rubber protection cap
- Can be used everywhere
  - Removable headlamp, which makes it usable as a work lamp without headband
  - With strong built-in magnet

Hints

- Lamp without charger and cable

Technical Data

Battery capacity	2600 mAh
Battery type	Lithium ions
Battery voltage	3.7 V
Charging time	4 h
Runtime max	7 h
Degree of protection	IP65
Length	92 mm
Width	52 mm
Weight	115 g
Color	Orange
Length x width	92 x 52 mm
Connector type	USB type C
