

Scorpius Pro 445 50W LED Wide light cover

Article number: **111727-1**

Nordic Lights Scorpius PRO 445 50W LED 9-32 V 4400 Lumen

The Scorpius PRO 445 is a work light that employs the latest LED technology and includes optimised mechanical features, all to meet your high expectations!

This work light delivers a genuine 4400 lumens, and you can choose between three different light patterns: Wide/Extra Wide/Hi-Beam. Simply make your selection above.

The Scorpius PRO is tough enough to handle rough treatment, being resistant to vibrations and impacts, and features a Grilamid lens that's highly UV-resistant.

The PRO 445 is an excellent choice for a wide variety of vehicles, and is ideally suited for vehicles in the mining industry and, for example, forestry machines.
